Hi Belinda,

If you review Katherine's draft she has highlighted areas where she needs details filled in. Also, please review to see if there are any other achievements of his you'd like to include.

Aryssa,

Please see the attached revised draft Bio for General Jeff. The highlighted areas are still the same that I need your help with BUT, I added several quotes from him throughout that give it more life, I believe.

The quotes are from a transcript, also attached, from a local arts organization that archives activists here. The video of the transcript is here: [Walk the Talk \(reduct.video\)](#)

Aryssa,

Attached is a revised *DRAFT* of the General Jeff Bio for Gladys Park. I have highlighted the parts in yellow that I could use your assistance with. I also added some to the Skid Row PAB section, which I am not sure is 100% correct. I am working on getting some photos too and more feedback from the community.

Sincerely,
Katherine
